“Without commitment you’ll never start, without consistency you’ll never finish”

-Denzel Washington

Black History Month Contest

Innovation, Reform, and Turning Points in African American History

Contest Rules and Categories:

Students can research people, inventions, and/or events considered innovative, reform, or a turning point in African American history. Students can focus on local, state, or national history. Students should explain how their person, invention, or event is connected to the theme in their project.

Kindergarten thru 2nd grade

Classes will participate in a class project. Each class is to create a poster board relating to the theme. Only one project per class will be accepted. Only one winner will be announced from this group.

3rd thru 5th grade

Students will participate in an individual or group project (no more than 3 students in one group). Students are to create an exhibit (poster) on the theme. One winner will be announced from this group.

Prizes for students and teachers

Students will get a "swag bag" full of goodies that include water bottles, books, and items donated from the **Jaguars!** Teachers! **You will win a classroom library makeover!! Scholastic will provide a classroom library makeover with over 200 books!**

Projects are due to District Social Studies Department no later than 4 pm on **February 18**

Winners will be announced on February 25
